Dear Brothers and Sisters,

Greetings in the name of our Lord and Savior Jesus Christ! I am extremely excited to welcome you to St. Sava Academy, the parochial school of Holy Resurrection Serbian Orthodox Cathedral of Chicago, and to our parochial school's website, [www.stsavaacademy.org](http://www.stsavaacademy.org). Please take the time to browse our web presentation of St. Sava Academy.

I am very honored to be the first ever principal of St. Sava Academy. An incredible learning environment and experience for children, ages 3 through eighth grade occurs at St. Sava Academy. The Academy offers a comprehensive, daily, dual language program. Students achieve language fluency and proficiency while consistently exceeding academically on local, state and national testing. This educational opportunity provides a truly bilingual Serbian and English curriculum. The Academy is in a unique position to nurture leadership and integrity in students, while preserving and perpetuating Orthodox religious heritage.

The Academy's educational experience is an integral part of the Orthodox community whose mission is to incorporate the teachings of the Holy Orthodox Church. Students begin each day and before meals with prayer and regularly attend Divine Liturgy services as a part of the Academy educational experience. This is truly the gift of a lifetime.

St. Sava Academy provides families with a powerful educational experience and a choice. It offers parents a safe, nurturing, school setting when compared to some of the unsafe and dangerous events experienced in public schools across America, even in the best neighborhoods. St. Sava Academy assists parents in protecting their children from a declining moral culture and enables children to be raised in the heart of the Holy Orthodox Church. With a daily hot lunch program and a wide variety of extra-curricular opportunities and events, the Academy offers a great alternative.

I would also like to take this special opportunity to acknowledge Vojislav Samsalovic and Mirko Glavanovic for their hard work and dedication in creating our Academy's website. Likewise, thanks to Jovan Jaksic for his assistance on the website. May God grant you many years! Ziveli i na mnogo godina!

If you have any questions, please feel free to contact me via e-mail at [principal@stsavaacademy.org](mailto:principal@stsavaacademy.org) or at the above listed contact information. Thank you for visiting our school and our web presentation. I wish you all the best and God bless!

Yours In Christ,

*Marko Bojović*
